Stone Crabs Baseball Team Offers Big Incentive for Opening of ‘Stone Crab Claw Season’ on Thursday

Fans who purchase new Full Season Seats on Thursday, Oct. 15, will receive a free \$50 Gift Card to the Team Store at Charlotte Sports Park

PORT CHARLOTTE, Fla. – While fishermen across Florida will begin harvesting stone crab claws along the coasts as stone crab season begins, fans of the Charlotte Stone Crabs baseball team can receive a free \$50 gift card to the Team Store at Charlotte Sports Park if they purchase a new Full Season Seat package on Thursday, October 15, in honor of the big fishing day.

The \$50 gift card is good for any item at the Team Store, but fans are only eligible to receive the card if they purchase their new Full Season Seat package from 9 a.m. to 5 p.m. on Thursday, Oct. 15. Any seat package purchased before or after that date will not receive the gift card. Full Season Seat packages are currently on sale and start at just \$285 for the Stone Crabs 2010 season by calling 941-206-HITS (4487) or visiting the front office at Charlotte Sports Park. Packages include every Stone Crabs 2010 home game, four premium giveaway items and a variety of other Season Seat holder perks.

“At this time last year, we hadn’t announced our team name, so we’re excited to bring a little more attention to the opening day of a very important time for our local fishermen,” said Joe Hart, general manager of the Stone Crabs baseball team. “We hope it’s a very productive season for the fishermen, and we hope this offer gives another example of the value of Minor League Baseball in this community.”

The FSL South Division Champion Stone Crabs finished their inaugural season in mid-September and begin their 2010 campaign next April. For more information on Season Seat packages, please call 941-206-HITS or visit www.stonecrabsbaseball.com.
